Terms and Conditions

By completing the enrollment process, each subscriber agrees to the following Terms and Conditions:

Deliverable - With each report purchase, Total Battery Consulting (TBC) will deliver:

- 3 licenses in an encrypted electronic format
- Additional licenses for each Report can be purchased at the time of the original order for a nominal fee of \$125 per copy, or later through the same contact person for a fee of \$150 per copy.
- A corporate network license upgrade is available for an additional cost of \$1,800.

Note:

TBC industry reports may be installed on computer or usb; but are not Mac compatible. After a report is installed, it needs to be activated online using a password provided by TBC.

Payment

Orders must be paid in full prior to shipment.

Copyright

TBC will retain ownership rights to the study. The client agrees to take all reasonable precautions to prevent any unauthorized copying and distribution of the report outside its organization. However, the client is free to use the report as needed within its own organization. Organization, as used here, includes an unlimited number of facilities under the same ownership in the same country. Joint ventures and partially-owned subsidiaries are considered separate organizations. The entire study is copyrighted under United States copyright laws. Unless otherwise stated, copyright, or similar rights, in all material presented, are the property of TBC.

Other

The report represents TBC's best judgment, based upon the information and data available, but TBC's liability, if any, to each subscriber, shall not be greater than the subscription fee paid.
